POOL
Ibiza

POOL & SPA

Swimming pool it is part of the range of luxury pools. Its design combines in a pleasant way the straight lines with the curved ones, giving rise to a product in which the aesthetic side is harmoniously intertwined with the functional one. In the steps area there is a mini pool that gives you special moments of relaxation.

Ibiza pool is provided with its own utility fireplace, so the distance of utilities from the pool body is reduced, the efficiency of the filtration installations being much higher. Another feature of this model is given by the comfortable stairs that allow you to easily enter and exit the pool, thanks to the design and anti-slip system.
